IVANS Policy Download Program

IVANS EXCHANGE

IVANS Exchange is a web service which allows ICC to establish a trading partnership with its agencies. This partnership is required for the automatic policy download to function. Each side of the partnership has an online mailbox which interacts with their policy management system.

If your agency is not already signed up on IVANS Exchange, you will need to contact the IVANS team to get registered. ICC will not be able to sign you up for IVANS, but we can help to point you in the right direction. Generally, agencies work with their management system vendor for this portion.

Once you are registered with IVANS Exchange, just send your Y-Account number to our Policy Download Team. Their contact information can be found below. ICC will establish a trading partnership with your agency and will be able to start sending policy information directly to your policy management system.

To sign up, please visit

www.ivansinsurance.com/en-us/access-ivans-exchange/

TRIAL PROGRAM

If you would like to begin participating on a trial basis, ICC has a program that you might be interested in. This trial program allows you to select individual policies for automated download for a period of time.

Once you're happy with the automatic download for those policies, we can move forward and enable the download for additional (or all) policies.

If you're interested, contact our Policy Download Team at any time using the information to the left.

| ICC Unique Codes | |
|------------------------------|--|
| Company Unique Coverage Code | Coverage Description |
| AICM | Additional Insured - Club Members Premium |
| AICMM | Additional Insured - Club Members - With Medical Premium |
