Attend our OnTAP Education Program!

Illinois Casualty
Company

As part of our commitment to the food and beverage industry, Illinois Casualty Company is offering regularly scheduled training to our policyholders, free of charge, at our home office in Rock Island, Illinois.

OnTAP (Training Alcohol Providers) training is available to ICC policyholders' employees located in Iowa and Illinois. This comprehensive training is designed for all staff members working in the alcoholic beverages industry, including owners, managers, servers, and security personnel.

Upon successful completion, servers working in Illinois will receive their BASSET Certification.

The OnTAP program includes:

- Effects of alcohol
- Signs of intoxication
- Factors that contribute to intoxication
- Blood Alcohol Content
- Effective server responses
- Understanding the law (specific to your state)
- Security/checking IDs

When: **Wednesday, April 21, 2021** from 10:00 am to 2:00 pm.
