What happens now?

Your New Year's party was a huge success. Everyone had a blast. The bartender told you the liquor receipts were over the top. But when you deposit the receipts the next day, the bank says the deposit slip and the cash don't match. They're off by \$3,000. How are you going to explain this at your next financial meeting? Who do you turn to now? Will your insurance cover the loss?

The coverage you need.

Since 1950, Illinois Casualty has specialized in protecting the unique exposures fraternal organizations like yours face, including a wide range of business, property, and liquor liability losses. We have successfully defended organizations like VFWs, American Legions, and Eagles Clubs.

Our specialized knowledge of fraternal organizations means we are distinctly qualified to provide you with the custom-tailored coverage your organization needs – especially for the unique exposures presented by serving food and alcohol.

At ICC, we know the ins and outs of the food and beverage industry and can provide your fraternal organization with the right coverages for your parades, auxiliaries, special events, and bingo or pull tabs.
